## BEER & CIDER ON TAP

---

**Bridge Rd Beechworth Pale Ale** A new world pale ale brimming with hop aroma and flavour, it strikes a perfect balance between hops and malt. Lower bitterness and a clean finish make this a sessionable yet full flavoured pale ale that continues to stand the test of time.

**Canadian Club Draught** Canadian Club & Dry Draught is made with a smooth Canadian Club Whisky & crisp dry ginger ale & provides a refreshing alternative to premium draught beer & cider.

**Carlton Draught** Carlton Draught is a traditional, fullstrength lager that is crisp on the mid palate with a good malt character and smooth full-bodied flavour. Clean hop bitterness gives the brew a slightly dry finish.

**Carlton Dry (Low Carb)** Carlton Dry's extended brewing process removes excess sugars creating a smooth, crisp finish with lower carbohydrates than a full strength beer.

**Great Northern Super Crisp (Midstrength)** Great Northern Super Crisp Lager was designed with an easy going lifestyle in mind. With its fruity aroma, subtle bitterness & refreshingly light finish, it's brewed specifically for the Australian climate.

**Victoria Bitter** VB is a full flavoured, full strength beer; the gentle fruitiness of the aroma compliments the sweet maltiness in the mouth which in turn balances perfectly with the clean hop bitterness of the finish.

**\*\*SPECIAL\*\*** There is always more available on tap. We're constantly adding new varieties & flavours. Please ask our friendly staff for the new products on tap.
