BEER & CIDER ON TAP

Bulmers Cider A light bodied apple cider w/ sweet appley notes & a subtle tanginess.

Bridge Rd Beechworth Pale Ale A new world pale ale brimming with hop aroma & flavour, it strikes a perfect balance between hops & malt. Lower bitterness & a clean finish make this a sessionable, yet full flavoured pale ale that continues to stand the test of time.

Canadian Club Draught Canadian Club & Dry draught is made w/ a smooth Canadian Club whisky & crisp dry ginger ale & provides a refreshing alternative to premium draught beer & cider

Carlton Draught A traditional, full strength lager that is crisp on the mid palate w/ a good malt character & smooth full-bodied flavour.

Carlton Dry (LOW CARB) Carlton Dry's extended brewing process removes excess sugars creating a smooth, crisp finish w/ lower carbohydrates than a full strength beer.

Great Northern Super Crisp (MIDSTRENGTH) Great Northern Crisp Lager was designed w/ an easy going lifestyle in mind. With its fruity aroma, subtle bitterness & refreshingly light finish, it's brewed specifically for the Australian climate.

Victoria Bitter (VB) A full flavoured, full strength beer; the gentle fruitiness of the aroma complements the sweet maltiness in the mouth which in turn balances perfectly w/ the clean hop bitterness of the finish.

****SPECIAL**** There is always more available on tap. We're constantly adding new varieties & flavours. Please ask our friendly staff for the new products available.
